IRONCLAD® ZERO-WATT

INH Series Exit Signs

The Ironclad® Zero-Watt INH series provides rugged cast aluminum heavy duty frames with a 3/8" polycarbonate lens for more demanding correctional and institutional applications. As the name implies, this maintenance-free fixture is self-sustaining and runs up to 20 years with no batteries, no wiring, and zero electricity. Zero-Watt is recyclable at the end of it's useful life.

UL 924
